RE: Promotion Requirements

Heather Minton
Instructional
Administrator

Dear 8th Grade Families and Students,

Tara Hooper
Admin. Assistant

We are very excited that your student is participating in the Jackson Junior High School 8th grade program. We are committed to providing all of our students with a high level of engaging instruction and learning to prepare them to be successful in high school and beyond.

Jennifer Ancito
Attendance Clerk

In order for your student to participate in the 8th Grade Promotion Ceremony and End of Year Activities, they must meet the following criteria. **School administration will have the final say in promotion ceremony and end of year activity participation for all 8th graders depending on any other circumstances that may arise during the course of their 8th grade.**

Jon Gilliam
Athletic Director

1. Maintain an average 2.0 gpa for the school year.
2. Show academic growth in all academic classes. (improve grades, observable academic growth, increased participation and engagement in these classes)
3. No suspensions during the last 30 days of school.
4. No more than 3 suspensions during their 8th grade year.
5. 90% or higher attendance rate.

Anisha Ramani
School Counselor

Students with Individualized Educations Plans will develop goals with their case managers and support teams. Promotion eligibility will be based on these goals and plans that are tailored to the students' needs.

Leah Pearl
W.E.B. Coordinator

If your student does not meet these requirements, it will be our determination that they did not fulfill the academic and behavioral requirements established by the Jackson Junior High School Education Team. However, if your student has made academic growth but not yet met all requirements, a 4th quarter promotion eligibility contract can be developed with families and student.

We ask that you discuss the requirements and expectations with your 8th grade student and set goals as a family for a productive and engaging 8th grade year.

Sincerely,

Andrew Gardner
Principal, Jackson Junior High School

Please sign the Promotion Requirement Acknowledgement Form and return to the school office by Friday, December 3rd.
