

## **JACKSON JUNIOR HIGH SCHOOL**

### **Drop off and Pick Up Procedures and Locations**

#### **Student Morning Drop Off Procedures**

All morning student drop off will take place in the bus circle by the front office between 8:10-8:30.

Students will be greeted at their cars by staff to do a temperature check, quick health screen, and to make sure they are wearing a mask or face shield.

Students who walk to school will access campus through the bus circle to do the temperature checks, health screen and make sure they are wearing a mask. There will be no other access to campus in the mornings.

Students will receive a wristband to ensure they underwent the temperature check, health screen, and have a mask or face shield.

If a student does not pass the temperature check and health screen, they will not be able to enter campus and will return to their car for departure. They will be able to access their classes from home through the computer.

Students who walk to school and do not pass the temperature check, health screen or have a mask or shield will be held in the office until a family member is able to pick them up.

Once the student has received the wristband, they are to report directly to their first class. There will be no congregating on campus while waiting for class to start.

#### **Student Afternoon Pick Up Procedures**

The student pick up location is in the lower parking lot in front of the district office between 3:05-3:30.

Students who ride the bus will be dismissed to the bus circle when their bus arrives starting at 3 pm. There are currently 4 bus routes.

All other students getting picked up, will be released to the lower parking lot after 3:05.

Students will not be able to congregate on campus after school has been released. Please make sure that your student is picked up during these designated times.
