Principal

November 5<sup>th</sup>, 2020

**Heather Minton**  
Instructional  
Administrator

Dear Jackson Junior High School Students and Families,

**Tara Hooper**  
Admin. Assistant

We would like to officially welcome you back to campus on November 16 to continue teaching and learning in the hybrid model!

**Jennifer Ancito**  
Attendance Clerk

Our teachers, office staff, custodial staff, and district support staff have worked tremendously hard to make all the necessary adjustments to welcome our students back to campus after almost 8 months of distance learning. We are all very excited to see our students and continuing to educate and support them as they make this new transition.

**Jon Gilliam**  
Athletic Director

Much of our work included adjusting bell schedules, creating student cohorts, revising campus maps, developing new rules and expectations for student behavior and revising many other operational procedures so they align with the ACUSD Health and Safety Plan. We want to ensure that all staff, students, and visitors are safe and have a positive experience on the Jackson Junior High School campus. We have included all of the necessary information for you to help plan for the return to campus. Included in this packet are the following informational documents.

**Joselyne Gonzalez**  
School Counselor

1. Hybrid Bell Schedule
2. Student Drop Off and Pick Up Procedures
3. Exposure Protocols Info Graphic
4. Campus Flow Map
5. Student, Staff, and Visitor Healthy and Safety Guidelines

**Natalie Knittel**  
W.E.B. Coordinator

More information about your cohort assignment will be communicated to you next week. Please review the attached documents and make sure you understand these new schedules, procedures, and guidelines.

**Ted Knittel**  
AVID Coordinator

This has been an incredible journey of growth for all of us. We look forward to continuing to evolve our work as educators to engage students in meaningful learning and provide a positive experience at Jackson Junior High School.

As always, don't hesitate to call our office with any questions at 209-257-5700.

Go Jaguars!

Andrew Gardner  
Principal
